Food Systems: Resilience Planning Guide

<https://clf.jhsph.edu/projects/food-system-resilience/resilience-planning-guide>

What will it take to grow Maine's local food economy?

(Why is an article about Maine included here? This tees up all the issues — health, food security, economics, climate change, farmland preservation, infrastructure investment, racial justice, root causes of poverty — that must be balanced and addressed to create a food economy that works for everyone into an easy to read piece. )
